

Franconia Mennonite Church Welcomes You to our Drive-in LED Worship Gathering!

We are excited to offer this way of gathering again to worship the LORD, and are delighted to have you join in!

"Come, let us worship and bow down: let us kneel before the Lord our maker." Ps. 95:6

We also want this to be a safe and enjoyable experience for all. This means that we are careful and considerate of others. *"Look out not only for our own interests, but also to the interest of others."* Phil. 2:4

Maintain a distance of at least six feet from those not in your vehicle or family.

Before & Afterward: Feel free to get out of your vehicle to greet and talk with others from a safe distance.

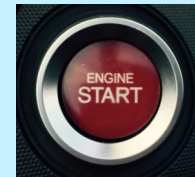

The service inside the auditorium will be projected on the LED screen.

Please stay in your vehicles during the worship service. Use safety precautions about whether or not to open windows.

Tune your car radio to FM 87.7 to hear the musicians and speakers.

Start and run engines as needed for A/C and recharging.

Join in the worship singing with your family.

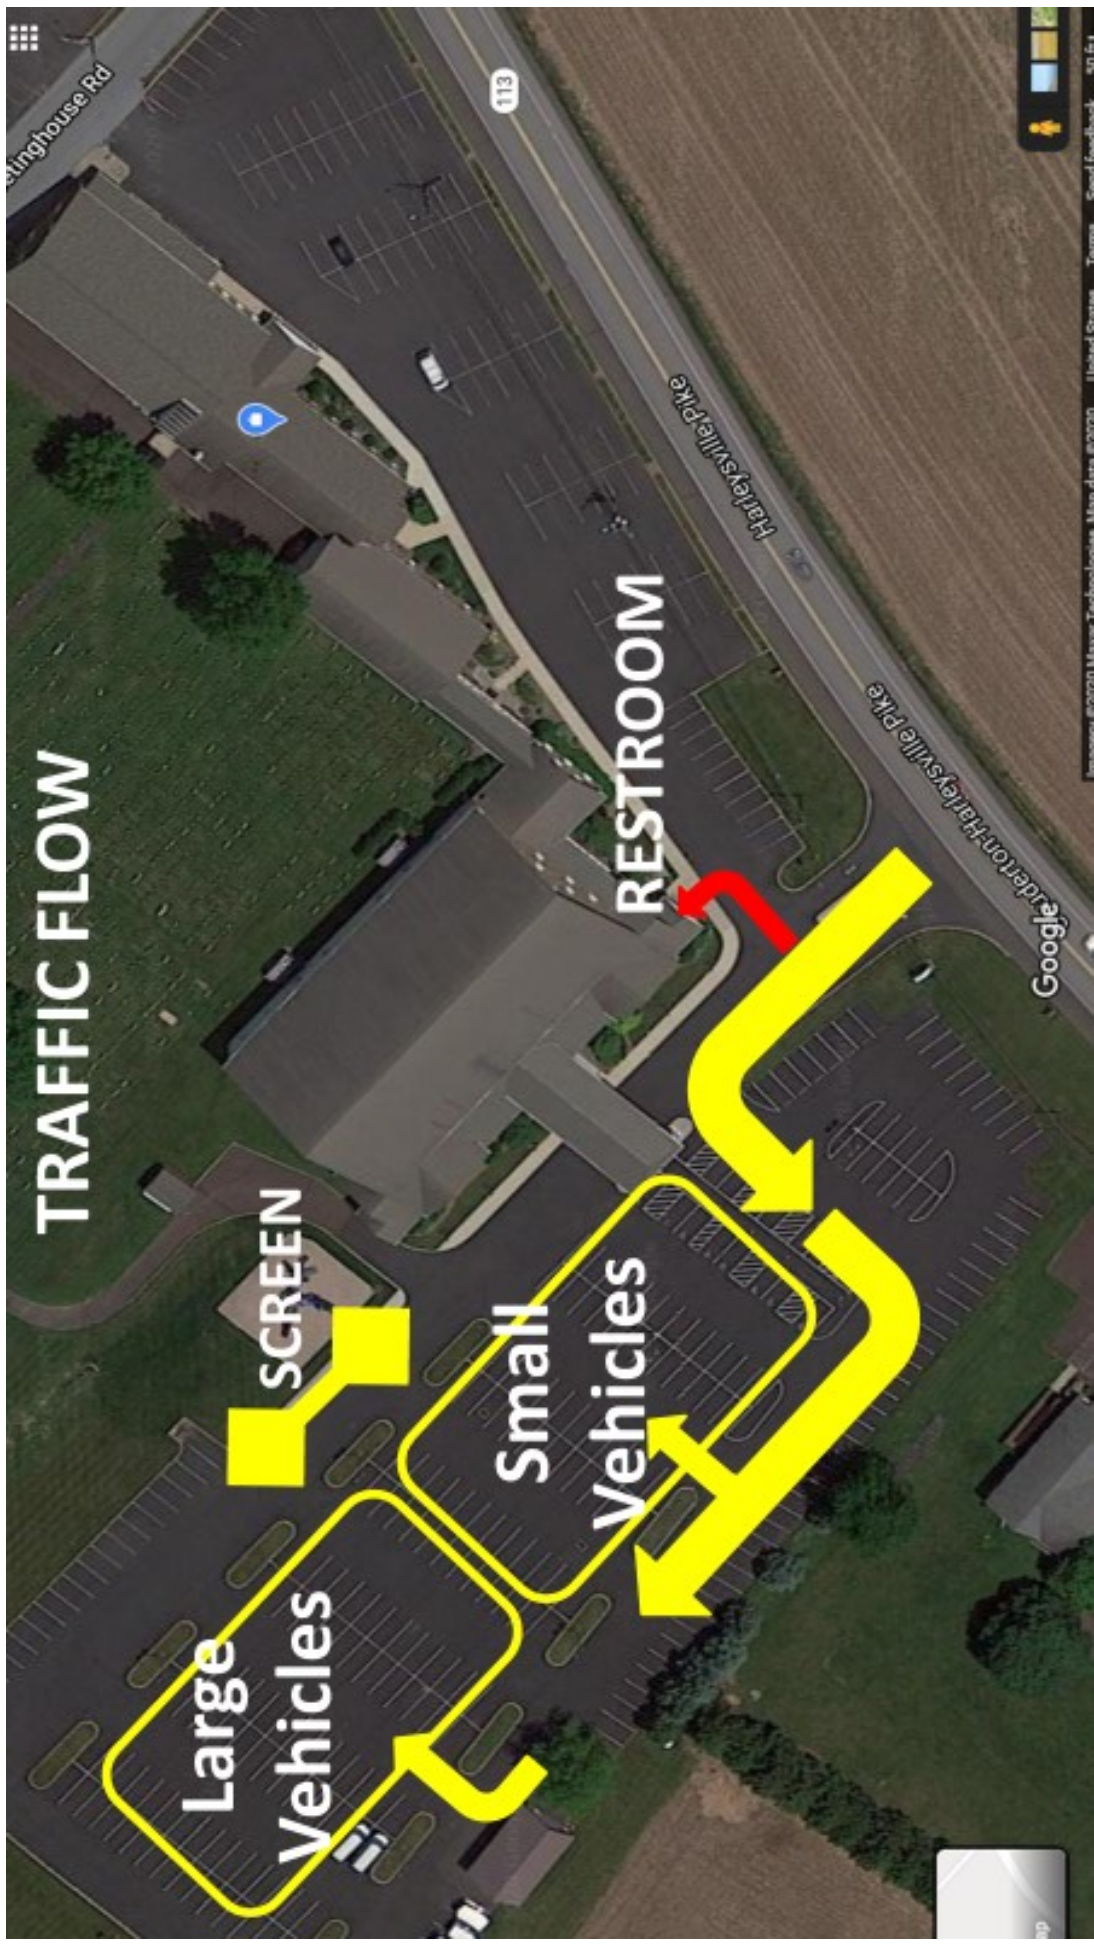

Restrooms can be accessed inside the church from the front side entrance.

The service is being recorded and will be available on the church website.

+++++

Family Movie Event—Come back this afternoon at 3:30pm to watch the movie "Lion of Judah." Family units will be able to sit outside vehicles on chairs or blankets unless the parking lot gets full.
