

Franconia Mennonite Church Welcomes You!

General Safety Instructions

The basic policy for all inside activities at the meetinghouse is *to require that non-related persons (except children 0-2) wear a face-covering over nose & mouth, OR maintain physical separation of 6ft.*
We thank you for your cooperation. The Leadership Team.

BEFORE YOU COME

Ask yourself, "Do I feel well?" If not, please stay home. Bring along a face-covering with two layers of fabric.

ARRIVAL for Sunday School & BFGs, Worship, and Meetings

If you don't have a mask, pick up one at the entrance. Enter the door closest to your meeting location. Youth and children will meet in the downstairs education wing. Adults meet in the auditorium. The Nursery for children under 2 is open but not staffed. Parents must remain with their children. The Nursery for 2 & 3 year olds is staffed during the worship service only.

BEFORE AND AFTER

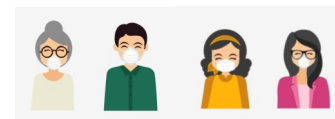

We encourage socializing outside the meetinghouse. Doors will be propped open wherever possible for air circulation.

SEATING

Pick up bulletin and newsletter. Find seats that maintain physical distancing in open areas. Be considerate and careful with one another. When seated and distanced, masks may be removed.

WORSHIP

During singing or group readings, please wear face-coverings. Place offerings in baskets in the foyer.

CLEANING

Classrooms, restrooms, and auditorium are cleaned before arrival. A disinfectant fog machine sweeps the auditorium each week. The HVAC system will run as normal. Hand sanitizers are placed throughout the building and in the restrooms and foyer.

Live streaming will also be available each Sunday
