Pastor Kyle will be your contact person, through Pastor Kyle, we will arrange directly with the Christian camp of your choice to pay the appropriate grant for each child's summer camp tuition. **You must promptly register for a camp grant by completing and returning the below form.** Concurrently, you must register the camper(s) with the chosen camp and pay any deposit required. We will arrange for our grant to be paid directly to the camp & applied to your balance due. Should the camper not attend camp, this grant is not transferable nor refundable. **The grants are available with a June 1 registration deadline**, and limited to one per child per summer. This grant may be used for parent/child camps, but only the child's camp cost is eligible for this grant.

For campers that go to **Spruce Lake Wilderness Camp**, it gets better! Spruce Lake has a 50% matching program through which they will contribute an additional \$37.50 to our \$75 grant, giving you a total of \$112.50 off your Spruce Lake camp tuition. This grant program does NOT affect your eligibility for their Campership Program and the Sibling Discount (for multiple campers from the same family). When registering for Spruce Lake, indicate you are participating in the church matching grant – use code **franconia2023** if registering online.
