

## God's Faithfulness by Kathy Moyer

"Your faithfulness endures to all generations; You established the earth, and it abides" (Psalm 119:90, NKJ).

From "The Goodness of God" by Bethel Music

"All my life You have been faithful  
All my life You have been so, so good  
With every breath that I am able  
Oh, I will sing of the goodness of God."

These lyrics speak to my heart. God is always faithful! Recently, I have been making a conscious effort to meditate on the evidences of His faithfulness in my life. I am awed by God's faithfulness in providing the many people who have influenced my Christian walk and growth.

My story is a bit unusual. I had two mothers and am now cherishing a relationship with a third. I am so thankful for God's faithfulness with these mothers throughout the years! My birth mother died at age thirty-one, but during my parents' short time together she was a strong Christlike influence on my father, encouraging him to grow close to the Lord (this information comes directly from family members and my father himself). After my birth mother's death, it was my father's witness and testimony that led my future stepmother to accept Jesus Christ as her Lord and Savior. My father and stepmother had almost fifty years together before she went to be with the Lord. The blessings of her strong work ethic and servant attitude are still with me today. My father remarried a few years later to the wonderful woman I now call friend and supporter-in-faith. Even though my father died in 2023, a scant four years after they married, she and I remain close. Yes, certainly there was grief with each loss, but God was gloriously loving in His provision of women who walked and shared their faith with me.

Your story is different, but please take some time today to think about the parents, grandparents, uncles, aunts, Sunday School teachers, teachers, folks in church, and others who emotionally and spiritually supported and encouraged you. God lovingly provided for you through the people He directed into your life. As you remember those precious witnesses of His faithfulness, perhaps you will, as I have, write a few of them down.

Our God, who established the earth and keeps it, cares so very much for each of us and intercedes to provide what we need each and every day. "Oh, give thanks to the Lord, for He is good! For His mercy endures forever" (NKJV).

*Your love and care for us is boundless. We are so very grateful. Help us to see and acknowledge Your hand in the multitude of encouragements and blessings in our lives. We are thankful for your faithfulness in our past, in our present, and in our future. In Your Son's Precious Name, Amen.*

# Making Connections

Meet **Martha Detweiler**.

"All my life you have been faithful, all my life you have been so, so good, with every breath that I am able, I will sing of the goodness of God". This familiar song has become a life-theme for me. In these days filled with so many voices and so many messages, it is more important than ever that we use our breath to declare the glory and faithfulness of God in our lives and share that with others!

My name is Martha Detweiler. I have attended Franconia since I was carried in as a baby. My husband Adam and I live in Souderton with our two children, Colton, 13 and Elizabeth 12. We will celebrate 15 years of marriage in April! I enjoy doing yard work and gardening with Adam, travelling, raising chickens, a good cup of coffee, teaching Sunday School, and entertaining guests in our home. My favorite moments are watching a good sunrise or sunset and gazing up at the night sky in awe of God's artistry.

Life has surely had its ups and downs for our family. We have experienced deep pain and tragedy and we have experienced incredible joy and happiness! One of the greatest lessons we have learned is that God IS faithful in every aspect of our lives and He is waiting with open arms to walk beside us in the joy and carry us in the pain and sorrow. In some of the most trying times God has taken the situations in His hands and formed beauty from ashes. In the most joyous times, He has grown our faith and pushed us to places we never imagined we'd be.

Three years ago, God showed His faithfulness once again by calling our family into ministry with JAARS, Jungle Aviation And Relay Services. I serve as the Aviation Events Coordinator and Recruitment Vision Trip Leader. We are based out of NC, so my time is spent doing a lot of travelling back and forth from PA and around the United States! Our eyes have been opened to worldwide missions and the need for the gospel in so many unreached people groups. JAARS Reduces Barriers, Eases Burdens, and Delivers God's Word. When you see people receive the gospel in their heart language for the first time ever, it changes something inside of you. God has fulfilled my life long dream to be a missionary. It looks a little different than my original dreams, but it's so much more than I ever imagined! It's life giving and fulfilling! Doesn't God just know so much more than we do?

A favorite verse of mine is Philippians 1:6 "Being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus." If I can offer any encouragement to you, my sisters, it is to TRUST HIM with every detail, big or small. Spend time with Him every day. His words, the scriptures are such a gift to us. Imagine none of us having access to them. How would we know our God and His great love and grace for us? When you spend time with Him, it will start oozing from you very naturally. You will want to share it with others! You will want to encourage those who do not know Him or have faith in Him. You will be the person that someone needs one day to pray for them, love on them, and walk beside them. I am grateful for all the women in my life from Franconia who have done this for me and helped shape me into the person that I am today!

“We know that we live in Him and He in us, because He has given us of His Spirit. And we have seen and testify that the Father has sent His Son to be the Savior of the world. If anyone acknowledges that Jesus is the Son of God, God lives in him and he in God. And so we know and rely on the love God has for us.”
